

ActiveAsset

WHITEPAPER

ABOUT THE COMPANY

Activeasset is a state of the art investment company that operate as a primary market maker to large investors worldwide. We participate in Forex Investment, Real Estate Investment, Cryptocurrency Investment, Stock Investment, Metals, and so many other Investment instruments.

After years of trading and the success we have had, we are committed to sharing it with our investors through our long and short-term investments in trading and the profits we make. We have provide plans that will Profit our investors for a long time. The amount of profit you make will depend on your plan and the amount of investment you make.

With a robust infrastructure and talented investment professionals, Activeasset offers clients the scale of a large asset management firm, with the benefits of a versatile investment platform – flexibility and customization. Our firm is able to offer institutional and retail investors the essential building blocks for today’s changing investment landscape.

Our team consists of talented enthusiasts and exchange traders who united and founded a single company in order to build a valuable investment portfolio for the sake of profitable trading at digital currency exchanges.

Activeasset uses only advanced trading tools and trades at the most steady markets, which minimizes the uncertainty of financial loss to investors and guarantees them a steady income accrued every calendar day.

The image features two smartphones held in a hand. The left smartphone displays a dark-themed app interface with a large yellow box containing the number '11,613'. Below it, there is a downward-pointing arrow and some smaller text. The right smartphone displays a light blue screen with the text 'Recibir en bitcoin' at the top, followed by the amount '0.00011613 BTC' and a QR code. The background is a blurred image of a person's hands holding the phones over a laptop keyboard.
